Dear Parent,

Thank you for permitting your child to participate in our After School Bowling Program. The purpose of this letter is to confirm that your child/children is/are signed up for the program, and to provide you with a few more details.

The program for Loganville-Springfield Elementary starts on Wednesday, February 7th. Unless you have decided to provide your own transportation to the bowling center, Reliance Student Transportation will transport your child to the lanes from school. An adult supervisor from the bowling center will be present on the bus during the trip to the lanes. **If you will be providing your own transportation to the lanes, it is very important that we be made aware of this.** You can either send a note to the office at school, send an email to tmiller@suburbanbowlerama.com, or give me a call at the phone number above.

The children should finish bowling between 5:15 and 5:30 p.m., and may be picked up by you at this time. We do have a sign-in and sign-out system for the children **so we do ask that you come into the bowling center and sign your child out.** This sign-out sheet will be located at the front desk.

In addition, please take a moment to fill out the Emergency Information form at the bottom of this page and have your child bring it on the first day of the program. This will assist us in contacting someone in the event of illness, or if you are delayed in picking up your child.

With regard to payment for the program, you have two options. You may pay weekly at \$11.00 per week per child, for a total of \$88.00, or you can pay for the program in full in advance for \$80.00, thereby saving \$8.00. In either case, your child should bring the appropriate amount on the first day of the program. **We also ask that you put the check or cash in an envelope, seal it, and put your child's name on the envelope.** Checks should be made payable to Suburban Bowlerama.

Your child has the option of determining his/her teammates, or we will do our best to place the children on compatible teams. Enclosed is an optional form for your child to fill out and bring along the first day if he/she has already formed a team. This will be helpful to us on the first day with the organization of teams. Please let your child know that teams will consist of either 3 or 4 bowlers per team. **Please note that our format is a time format. The kids will get to bowl a minimum of one hour and fifteen minutes, and will finish between 5:15 and 5:30pm.** We have done this to try to provide a more reliable finishing time, so that you the parent will know each week what the finishing time will be. In some cases, they will get to bowl more than 2 games, but will finish no later than 5:30pm.

If you have any questions, please give me a call at (717) 848-1632. And again, thank you for allowing your child to participate in our bowling program. I'm sure we'll all have lots of fun.

Sincerely,

Terry Miller, Proprietor
